 **UNITE**

Logan and his Associate benefit off of each others skills by leveraging strengths. What are ways you can collaborate together with your associate (or coworkers) to help boost your photoshoots or customer service?

1.

2.

It's proven true every time. When we take the time to make our guest look good and take photos of them, it will most likely end up on social media. How do you ask your customer to post pictures of your work? Is there any way you would need to change this method?

 **CREATE AN IMPACT**

How does going the extra mile and connecting with your guest make you feel?

Does this help you?

FORM A CONNECTION

Give examples of a time you connected with a guest and it ended positively for you.

Could this be replicated?

THE ULTIMATE GUEST EXPERIENCE

UNITE:

Having extra hands and minds always makes things better! Logan creates bonds and positive relationships with his associates and they work together to help each other succeed and move forward.

CREATE AN IMPACT:

When we create an environment that makes our client want to come back, that's the key. Logan goes the extra mile by providing things like head massages or longer consultations with clients to ensure he is doing everything he can to make his client happy. This is a win-win for everyone!

FORM A CONNECTION:

Connecting with our clients forms a stronger bond. Logan makes the visit fun and also personal so his clients understand and feel that he cares about them.
